

Young Farmer Private Pesticide Applicator Exam Rebate Form

To qualify for the \$75 exam fee reimbursement through the Minnesota Soybean Research & Promotion Council, applicants must be between the ages of 18-45 years, provide an active applicator license number, be a current Minnesota resident and submit the application within 90 days of completing the exam.

Please note: All applicants will be verified through the Minnesota Department of Agriculture website.

Reimbursement will be made available to the first 200 farmers and must be submitted by Aug. 31, 2024.
